DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 12, 7-14, 20-23 and 26 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicants claim a method for determining speech fluency, the method comprising obtaining one or more speech samples from an individual, identifying variables present in the speech samples, obtaining an average length of silent pause by the individual, measuring a total amount of silent time by the individual, measuring a total amount of speech time by the individual, measuring a total number of speech runs by the individual, dynamically analyzing and selectively weighting the variables to determine a speech fluency score, comparing the speech fluency score with established fluency ranges and indicating a speech fluency of the individual based on dynamic analysis, weighting and comparison. The cited prior art alone or in combination fails to fairly disclose the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
